

# **R.V.R. & J.C. COLLEGE OF ENGINEERING**

## **Admission Guidelines**

Academic Year: 2026–2027

Document ID: RVRJC-ADM-005

Version: 2.2

Effective Date: 01 January 2026

Policy Owner: Office of Admissions

## **1. Introduction**

These guidelines describe admission procedures for undergraduate and postgraduate programs. Admission is subject to program eligibility, seat availability, applicable entrance requirements, and document verification.

## **2. Undergraduate Eligibility**

Applicants must normally have completed higher secondary education or equivalent, studied required science subjects, met the minimum percentage prescribed for the program, and satisfied applicable entrance examination requirements. Specific criteria may vary by program.

## **3. Postgraduate Eligibility**

Applicants must possess a recognized undergraduate degree in the relevant discipline. Some programs may require entrance examination scores, interviews, portfolios, or work experience.

## **4. Admission Process**

The general process consists of online application, document submission, entrance examination or qualifying assessment where applicable, merit evaluation, provisional selection, document verification, fee payment, and confirmation.

## **5. Required Documents**

Applicants may be required to provide academic certificates, mark sheets, entrance examination scorecards, government-issued identification, photographs, transfer certificate, migration certificate where applicable, category certificate where applicable, and medical fitness certificate.

## **6. Document Verification**

Admission remains provisional until documents are verified. Incorrect, fraudulent, or misleading information may result in cancellation.

## **7. Admission Fee**

Selected students must pay the prescribed admission fee within the specified deadline. Failure to pay may result in cancellation of the provisional seat.

## **8. Seat Confirmation**

Admission is confirmed after successful document verification, payment of required fees, and completion of admission formalities.

## **9. Cancellation of Admission**

Students may request admission cancellation according to the College refund policy. Refund eligibility depends on the cancellation date and applicable regulations.

## **10. International Applicants**

International applicants may be required to provide passport, academic credentials, valid visa documentation, proof of financial support, and medical documentation.

## **11. Deferral**

Admission deferral may be permitted in exceptional circumstances. Requests must be submitted to the Admissions Office and are subject to program capacity.

## **12. False Information**

False information or forged documents are grounds for rejection or cancellation of admission. The College may initiate disciplinary or legal action where appropriate.
